LARA

**Bisinella**  
*the key to your community*

## The best of city and country.

Lara Lakes is an exciting new residential community designed to showcase the special charm of a town where the city meets the country.

With over 500 lots situated around nearly seven hectares of waterways and parkland, Lara Lakes is modelled on nearby Grand Lakes Estate, winner of national and state awards for high quality development and environmental excellence.

A wonderful lifestyle opportunity awaits you and your family at Lara Lakes.

With views across sweeping countryside to the iconic You Yangs mountains, Lara Lakes is located at the top of the Lara West Growth Area and borders the existing Lara township.

Lara is a vibrant growing settlement of more than 16,000 residents, but retains a distinctly rural feel and strong sense of community.

The very best of what Lara has to offer, now and in the future, will be yours at Lara Lakes.

No wonder Lara people say they have the best of both worlds.

Lara is the ideal place to enjoy a relaxed country lifestyle with many of the comforts of city living.

A wide range of established local services and amenities are close at hand, including shopping, dining, school, pre-school, health, sport and recreation.

Hovells Creek meanders through the centre of town, while internationally-recognised attractions such as Serendip Wildlife Sanctuary, the You Yangs Regional Park and the Limeburners Bay bird sanctuary are only minutes away.

It's an easy road or rail trip to both Melbourne and Geelong.

Additional services and amenities are planned in the Lara West Growth Area to keep pace with future residential development, including new schools, community centres and sports facilities. Ultimately the Growth Area will be home to approximately 10,000 people.

Lara Lakes is the latest Bisinella community to be created in Lara, where our family owned and operated company has been the pre-eminent land developer for more than 30 years.

Our largest project, the Grand Lakes Estate, put Lara on the map. Developed from 2009 to 2015, the 804-lot estate set a new benchmark for Lara and regional Victoria.

Grand Lakes, featuring brilliantly designed and engineered lakes, wetlands, boardwalks, café, community centre, playgrounds, rotunda, barbecue areas, walking/cycling tracks and tree-lined boulevards, won the Urban Development Institute of Australia (UDIA) 2015 award for the best new residential estate in Victoria – a first for the Geelong region.

The following year, Grand Lakes beat entries from all over Australia to win the UDIA's national award for environmental excellence.

Lara Lakes, which is similar in concept and design, will build on that success.
